

Increase passive office revenue, improve patient health, and enhance quality metrics

HOW IT WORKS

What TORM Care Collaborations is responsible for :

- Provide remote patient care for your patients
- Following care protocols given by provider
- Monthly patient status reporting to your office

What your office is responsible for :

- Process billing codes
- Receive insurance payments

WIN-WIN-WIN RESULTS

Your office wins:

- Generate a new stream of recurring revenue
- Increase CMS star ratings and HEDIS scores
- Increase patient engagement and adherence
- Decrease patient hospitalizations and readmissions that penalize you

Your patients win:

- Better health and peace of mind

My team wins:

- Flexible and fulfilling careers
